The shop offers the most interesting Varsaviana and Polonica, including albums, scientific publications oraz and historical books. We especially recommend our Castle's publications, souvenirs and gifts. Among others, you will find here elegant coffee cups decorated with the royal cipher of king Stanislaus Augustus, fine jewellery, the Castle's version of a popular Monopoly game or many small gifts. You can also buy an original bag made from our advertising banners and put your other buys inside. Each bag is unique as a part of a different banner used to promote our particular exhibition.

We invite you to our new Museum Shop on the ground floor during the Castle's opening hours.

Get your royal souvenir and take advantage of the discount on selected items.
